VISION QUEST

Find the row or column that contains five DIFFERENT sandals.

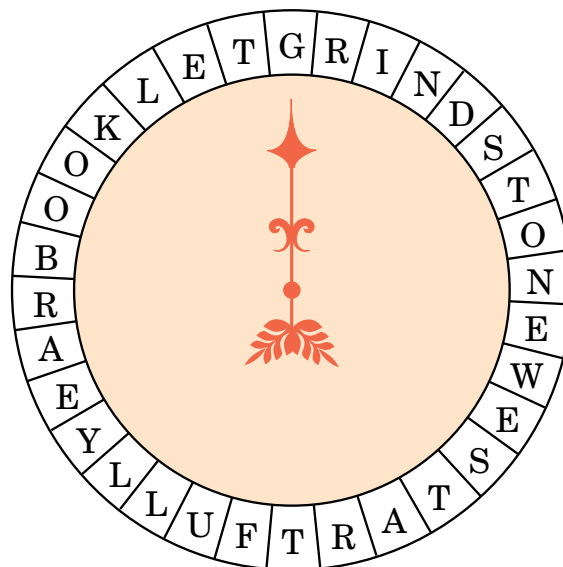

Solution is on the last page.

WORD WHEEL

Starting with the "G" at the arrow, see how many everyday words of three or more letters you can find going clockwise. Don't skip over any letters. For example, if you saw the letters C, A, R, E, D, you would form five words: CAR, CARE, CARED, ARE, RED. We found 33 words.

Solution is on the last page.
